

Privacy Policy Statement

Statement of Privacy Policy

Hong Kong Angelman Syndrome Foundation (hereafter "HKASF") is committed to respect and safeguard personal privacy and is committed to fully implementing and complying with the data protection principles and all relevant provisions under the Personal Data (Privacy) Ordinance (Chapter 486) (the "Ordinance") under the laws of Hong Kong, as well as the relevant code of practice and guidance issued by the Office of the Privacy Commissioner for Personal Data, Hong Kong. The meaning of the term "personal data" adopted in this Statement is defined in the Ordinance.

Privacy Policy

Please note that this Statement may be amended from time to time without prior notice. You are advised to check for the latest version on a regular basis. If there is any inconsistency or conflict between the English and Chinese versions of this Statement, the English version shall prevail.

HKASF will record visits to this website without collecting any personal identifiable information of users. For different purposes and at different times, users may be invited to provide personal data to HKASF through this website on a voluntary basis. Such general statistical information are collected for the compilation of statistical reports and the diagnosis of problems with or concerning computer systems to help improving this website. When the relevant website of the online service invites you to provide some personal information, we will explain the purpose of collecting, and prompt you how to obtain or correct the relevant personal information. We do not use and have no intention to use the information to personally identify anyone. Unless permitted or provided by laws, we do not disclose your personal information to third parties without your consent.

You should be aware that no system is impenetrable and no information provided over the Internet can be guaranteed as completely secure. Accordingly, we cannot guarantee the security of any information that you transmit to us or receive from us over the Internet.

When browsing this website, users may have cookies temporarily stored in their computer. The purpose of cookies is to facilitate navigation only. We will not collect any personal data under this circumstance. Users have a choice not to accept the cookies by configuring their internet browser settings, but in this case, full functionality of the website may not be properly provided.

The data will be collected and handled in accordance with our general personal data practice in following the Data Protection Principles above. The data will be secured by the Secure Socket Layer (SSL) encryption technology with our website during network transmissions with access restricted to authorized personnel only.

Search service on “One Click Care” website while giving search result does not collect personal identifiable information. However, the anonymous data collected through the search service may be used for compiling traffic analysis on this website. HKASF will not match the data obtained from any such search activity with any personal data possibly held by HKASF.

Data access or correction request to HKASF may be made by completing the Data Access Request Form and addressing to the following:
